

Process vs. Product

Process		Product

Directions: *Place the following phrases in the chart considering the type of comprehension task they represent.*

1. Match vocabulary words with student friendly definitions.
2. Write a summary after reading.
3. Make a mental model of the story in your mind as you read.
4. Have students tell what they already know about a topic.
5. Answer true/false questions while reading.
6. Reread what was not making sense during reading.
7. Predict the end of the story.
