Sullivan Primary: Learning Labs

Who are we?

Mrs. Megen Booker
Principal

Mrs. Deidra Brinker
Assistant Principal

What?

What is a Learning Lab?

Guided Peer Observation

Mini Professional Development of a topic that would benefit our teachers and also align to our building and district goals

Teachers learning from other teachers

Teacher to teacher feedback

Time to learn and plan in order to implement or improve a practice in their own classroom

Why?

Why did we implement Learning Labs?

Effective peer observations

Build in mini PD opportunities

Implement teacher to teacher feedback

How?

- Steps
- Roles
- Schedules
- Needs of teachers

Big Picture and Goals:

Plan **two OR three** 2 hour sessions on one day with a specified focus area.

4-5 Teachers included in the learning lab

Admin/Instructional Coach Participation

Steps:

1. 20 minute workshop style presentation. This is why we we are here, this is what we will be learning about, look for these things.
2. 3- 10 minute observation experiences in three different areas (*we started with 2 observations but feedback from teachers is that they wanted more time in the classrooms*)
3. 10 minute Q & A with area/content expert
4. Group discussion and "aha's" on observations
5. Debrief Activity/Planning/Closing Session
6. Peer Observation Form Completed

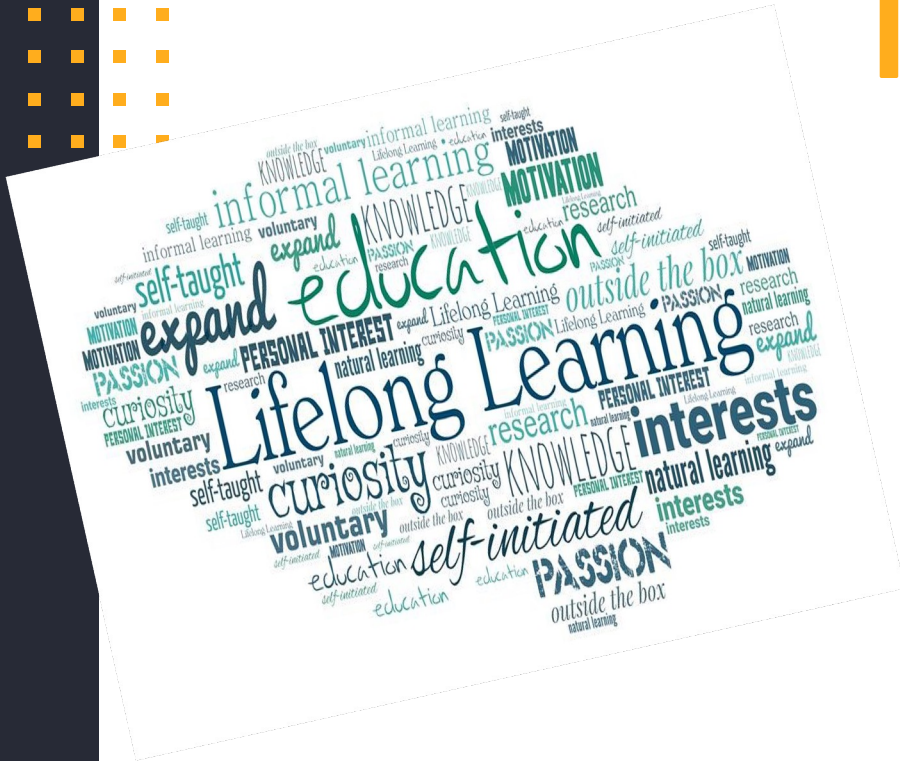

Things to Think About

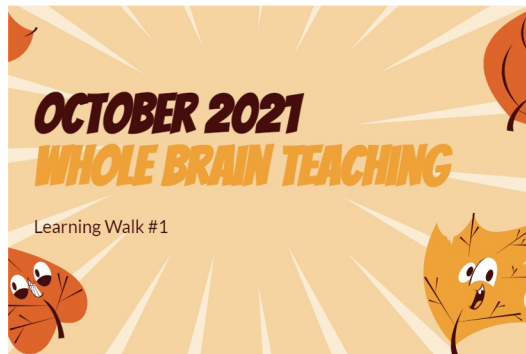

- Topic to present
 - Survey staff for needs
 - Feedback after presenting
- Schedule of the day
 - Admin finds sub coverage
 - Coaches run the day
 - Coach take the place of the teacher for Q&A
- How will we Debrief?
 - Debrief tool
 - Next level coaching
 - Set a goal for themselves
- Who will present?
 - Teachers
 - Instructional coach
- Who will we observe?
 - Volunteers
 - Coach finds
- What resources need to be gathered for planning?

Topic Ideas:

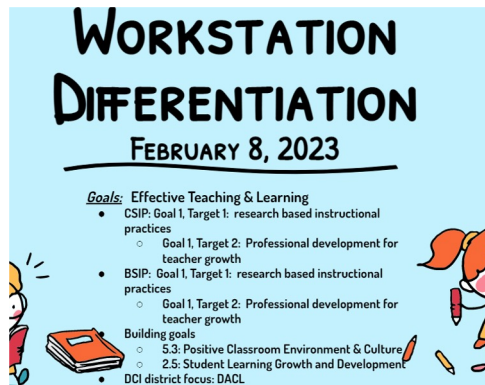

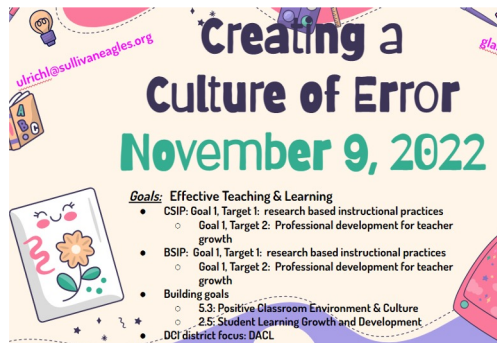

- Classroom/Behavior Management
- Progression/Developmental Stages
- of Writing throughout the building
- Resource Instruction (Pathways, Michael Heggerty, Eureka Math, HWT)
- Workstations
- Social/Emotional Learning
- Small Groups
- RTI Focus
- Culture of Error
- Kagan
- Technology

Our presentations 2021-2023

Year 1 & 2
Implementation
due to feedback

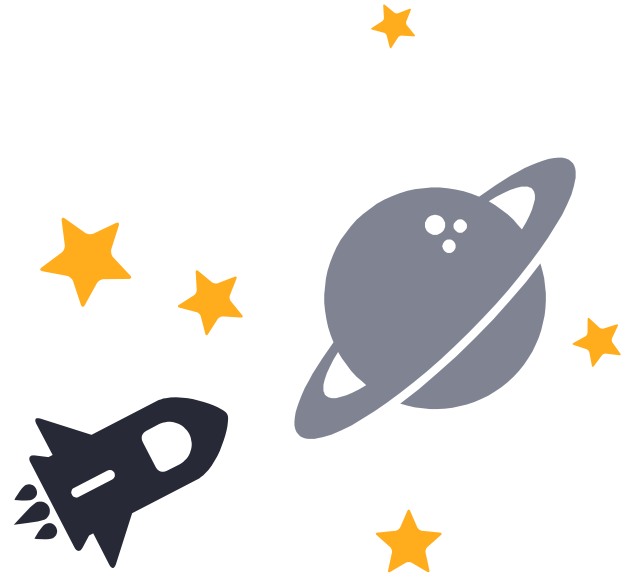

Goal Dates

October/November

January/February

March/April
